**PE teacher name:** Mr. Michee, teacher of the 2<sup>nd</sup> grade

**Overview of the PE activities at school:** The students practicing football, exercising, running, and jumping up.

**Short description of the school playground:** We only have a soccer field at this school.

**Do the students participate in any activity in the community? Yes. If yes, name the activities:**  
Reforestation, cleaning, and evangelism.

**Nutrition:**

**Number of meals distributed this month:** We distributed a meal per day. Monday through Friday.

**Short description of meals and drinks distributed:** We give the kids rice and beans and sauce; rice with soya, carrots, and juice. For a good source of protein, we give to the kids one egg, two times a week, Monday and Friday.

**Bible Teaching:**

**Christian Education Teacher Name:** Pastor Benito, and Mr. Jean

We have a service in the chapel for the kids every Friday in the morning. The students have the responsibility for the service. They sing, pray, sometimes one kid can preach. We do that because we want them to become leaders tomorrow.

**Current subject:** We teach the children about the importance of telling the truth and being honest. Above all, we want them to develop spiritually.

The children have a mission to evangelize their parents, friends, people in their community, sharing God's word, and love others.

**Number of converts for this month:** No converts this month.

**How many students get baptized this month?** No one got baptized this month.

**At this school, students are encouraged to attend church yes or no?**

Yes, all the teachers and the staff members, especially Pastor Benito. I (Jackson), encourage all the kids to attend church. Every Sunday, Pastor Benito invites one class to come to church. He does that for all the kids can meet God and hearing His word. Also, we encouraged them to attend church with their parents and sharing God's word with them.

**Caring for the students:**

**Describe the treatment received by the students in case of in injury or sickness at school:**

In case of injury or sickness, we provide the first aid. If the situation is more serious, we call the parents, and we take the kid to a nearby hospital. To provide onsite healthcare, we have the following top needs: a school nurse, medications, and several pieces of medical equipment.
